

SAYS WIFE CALLED HIM 'POOR FISH'

Dentist Answers Suit for Separation With Alleged Statement Made by Her.

HE IS 52 AND SHE IS 30

Dr. Quigley Declares Charges Resemble Movie Scenario—Alimony Is Asked.

Dr. Charles Quigley, a dentist of 168 Washington avenue, Brooklyn, filed in the Brooklyn Supreme Court yesterday an answer to the suit for separation begun by Mrs. Isabel Quigley and gave his alleged statement by her as one of the things that caused him to suspect that she did not care for him quite as much as she used to.

"You poor fish! How did I ever fall for the likes of you? Well, I deserve what I got. I fell for you with that face. You are too old for me. You are 52 in with your own feet."

She said that Dr. Quigley declares, but he also asserted that the only thing in the statement that is true is that he was too old for her. He is 52 and she is 30, and he said that the case is the old story of a comparatively old man marrying a comparatively young woman. They were married in June, 1920, and until November lived at 908 Bushwick avenue.

Mrs. Quigley asks \$125 a week alimony pending trial of the case. She declared that her husband gave her indignation by accusing her of flirting with other men, and that when he called a doctor to attend her he accused her of flirting with the doctor. In his answer the dentist says that no man was too old and one to young for her to practice dentistry upon, and that many glances of ridicule were cast at him, which, he said, made him feel badly. His wife's charges, he said, resembled a movie scenario.

Justice Dillon reserved decision on the application for alimony.

U. S. ASSENT TO ENVOY CONFIRMED IN BERLIN

Dr. Lang Made Charge Pending Ambassador's Coming.

Special Cable to THE NEW YORK HERALD, Dec. 14, 1921.

A report that the United States had signified its assent to the appointment of Andres Bello, food and finance minister, was confirmed here today. Herr Bello's nomination will not be made, however, until the United States sends an Ambassador to Germany. The Berlin Government, however, feels that it is necessary, meanwhile to place near and above Herr von Thiermann in Washington, some one who knows America without having been a member of Germany's pre-war Embassy in Washington, was confirmed here today. SHOWS TOO MUCH HOSE, REPRIMANDED BY JUDGE

Woman Who Crosses Her Legs in Court Leaves Weeping

KNOXVILLE, Dec. 14.—For the second time in a year Judge John A. Huffaker today reprimanded a woman who crossed her legs in front of the judge and jurors. Upon being reprimanded the woman attempted a reply but was silenced by the judge and retired weeping.

Discussing the incident, Judge Huffaker said that his respect for modesty compelled him to act as he did and that to women could come into his court and insult a man's sense of modesty.

"Short dresses," he said, "are no doubt to blame in large measure for the lack of modesty prevailing at this time."

'NO' IS 'YES' IN VOTING FOR SABBATH SPORTS

Electors Confused by Involved Wording.

EVERETT, Mass., Dec. 14.—Voters of this city in many cases learned today that yes meant no in yesterday's election.

After the count had been made last night it was announced that the city had voted against retaining the Sunday sports act. Reexamination of the figures today, however, showed that the 4,491 votes applied to the question of rescinding the act in the case of the voters of permitting Sunday sports. The vote in favor of rescinding was 3,953.

Voters today were still discussing their votes and many, trying to figure out for themselves whether their vote followed their intention. The result only was certain—Sunday sports will continue.

POLAND LENDS RUSSIA 800 RAILROAD CARS

Will Carry 180,000 Tons of Rye to Famine Districts.

Special Cable to THE NEW YORK HERALD, Dec. 14, 1921.

Revised. (Via London), Dec. 14.—A slight improvement in Russo-Polish relations is indicated by Poland lending Russia 800 railroad cars to carry 180,000 tons (about 180,000 tons) of rye from Poland into the famine districts of Russia. It is expected that the movement will be completed in about four months. Previously Poland and Russia stole three of each other's trains.

Mr. O'Leary of the British Red Cross Society has arrived in Ryeval with supplies worth half a million pounds sterling from the British Government for the Russian famine sufferers. He will personally take this relief into Samara.

MALISSED SUIT DISMISSED.

Marc Salsedo, an anarchist printer, who jumped from a window of the Park Row Building May 3, 1920, came to his death by his own act and the officials who confined him there are not responsible, the United States Circuit Court of Appeals held yesterday. Judge Rogers and Hugh, in a majority opinion, upheld the lower court in dismissing a suit for \$100,000 damages brought by Maria Salsedo, the widow.

Mr. and Mrs. Learned receive \$100,000 and Bruce Learned \$100,000 outright and a trust fund of \$120,000, of which he is to receive the income until his majority and then the principal.
